

# Declaration

The technical data and measurements are created  
to the best of our actual knowledge

<b>Type of Unit:</b>	filter
<b>Denotation:</b>	Compact filter for EL/TL
<b>Part number:</b>	T0058762003 T0058762701 spare part no.
<b>Filtersurface:</b>	2,43 m <sup>2</sup>
<b>difference pressure:</b>	650 Pa
<b>airflow:</b>	250 m <sup>3</sup> /h
measured according to EN 1822 from Labor Blankenberg D-47506 Neukirchen	

## HEPA filter technical data

HEPA filter classification:	H13
deposition performance according to EN 1822:	>99,95 %
temperature resistance:	max. 80°C
relative atmospheric humidity:	100 %
