Sandberg All-In-1 Laptop Powerbank 24000 is your universal energy source for all your mobile equipment, including your laptop or Macbook. With its huge battery capacity of 24000 mAh, you will have many recharges of a smartphone or power for several extra working hours with the laptop. The powerbank can easily be recharged by the enclosed AC adapter or by any USB-C charger in only a few hours. With its DC output and 12 enclosed adapters, the Quick Charge USB port and even 2 USB-C ports, a lot of different equipment can be charged at maximum speed. As an extra feature there is even a wireless fast charger on top of the power bank. The Power bank is very easy to carry around thanks to its bag friendly size and minimized weight at only 0,5 kg.
